## French Preschool Maternelle

The French preschool program was created in 2019 by our founder Delphine. The main objective is to start the foundation of the French language thanks to the understanding of French story telling associated with written exercises, singing, arts & movement. It is the most successful program of My French School.

### French, Music & Arts :

- We only speak **French** in our preschool classes. We mix our francophone students with our French lovers students.
- **Music** is part of our curriculum (singing, music listening, instruments discovery)
- **Arts** (introduction to French & Australian painters ) + Arts & Crafts.

# Our French Curriculum

The French preschool program is based on the French preschool curriculum which covers all early childhood developmental areas, and is harmonised with the philosophies and main elements of the "Early Years Learning Framework for Australia" (EYLF).

Nous nous intéressons particulièrement à ces quatre domaines d'apprentissage :

- Mobiliser le language dans toute sa dimension.
- Agir, s'exprimer, comprendre à travers les activités artistiques.
- Construire les premiers outils pour structurer sa pensée.
- Explorer le monde.

Les exercices ont 3 niveaux selon l'âge des enfants (petite, moyenne et grande section).

# Schedule :

- **1h30 : ECRIT / ARTS/MUSIC**
